**INFORMATION DISCLOSURE STATEMENT**

Assistant Commissioner for Patents  
Box IDS  
Washington, D.C. 20231

Sir:

Applicants hereby voluntarily disclose the references listed on the attached form PTO-1449, which references may be considered material to the examination of this application. A copy of each of the listed references are attached.

Applicants reserve the right to establish the patentability of the claimed invention over the cited references, should they be applied as references, and/or to prove that some of these documents may not be prior art, and/or to prove that these documents may not be enabling for the teachings they purport to offer. This statement further should not be construed as a representation that an exhaustive search has been made, or that there does not exist information or material to the examination of the present application.

The examiner is specifically requested not to rely solely on the material submitted herein.

On the contrary, the examiner is requested to conduct an independent and thorough review of all of the cited documents and form independent opinions as to their significance.

It is respectfully requested that the examiner initial and return a copy of the enclosed form PTO-1449 and to indicate in the official file wrapper of the above identified patent application that the cited references have been considered.

Respectfully submitted,
